**CHESTERFIELD PUBLIC INFORMATIONAL MEETING**  
***PLANNED IMPROVEMENTS ON ROUTE 63 ALONG SPOFFORD LAKE***

The New Hampshire Department of Transportation announces a Public Informational Meeting will be held Thursday, August 28, 2003 in Chesterfield to discuss the planned improvements on NH Route 63 along Spofford Lake.

This project begins on Route 63 at the northern intersection with Silverdale Road and continues northerly for approximately four-tenths of a mile to approximately two-tenths of a mile south of the intersection with North Shore Road.

The intent of the public meeting is to gather input prior to the beginning of design work to ensure any improvements address both the transportation needs of the community and the needs and concerns of affected residents.

The August 28 meeting will take place at 7:00 pm at the Chesterfield Town Hall, 518 NH Route 63 in Chesterfield, NH. A question and comment period will follow a formal presentation.
